HEARTS SOAR! WITH MORE REASONS TO CELEBRATE!

The New Year brings the promise of new love, new friends and – new reasons to celebrate! Hearts are soaring on beautiful Buena Vista Street and citizens from Elysian Arcade to Paradise Pier are embracing the potential that the New Year brings. Citizens continue to celebrate the Diamond Celebration and have layered on the Lunar New Year Celebration held on select dates at Paradise Pier and the opening of Luigi's Rollickin' Roadsters – a Festival of Dance in Cars Land later this year.

And that's not all – there are even more reasons to celebrate just on the horizon. We've got the scoop that big-time producers in Hollywood Land have

just competed casting for an all new "Frozen"-inspired stage musical coming in the summer to Hyperion Theater. So be on the lookout for budding new talent on the scene. They'll be the ones warming up those pipes and polishing those pearly whites in hopes of becoming the next BIG thing in town. The promise for the future doesn't stop there – neighboring Grizzly Peak is getting ready to unveil an exciting new adventure with a new Soarin' Around the World opening this year. Indeed citizens, hearts are filled with hope and the reasons to celebrate are plentiful! Nothing but blue skies ahead for this street of dreams and dreamers!

"I" on Food with Inglebert Irving A Plateful of Perspective

I have returned from my winter holiday in dire need of new perspective. Having spent the holidays with one too many potlucks and platters of ho hum, homemade mush. Not to mention, chiding from good old mum who admonished me for my lack of offspring and lack of potential prospects. I cut short my holiday, inspired to dive back into work. Imagine my delight, when the proprietor at Carthay Circle Restaurant invited me to try his new seasonal dinner menu. I warned him, "I will come and bring with me my high expectations. Pray you don't disappoint me". I am after all, Inglebert Irving, a food critic, eager to find the next target of my notepad of ire.

I decided to arrive early, to observe the staff. It just so happens,

the Carthay Circle Lounge offers seating where one can observe and partake in a classic Manhattan. And so I did. I admired the rich art deco design and warm intimate setting as the bartender, Aaron set to making my Carthay Manhattan. He shared the secrets of the drink as he demonstrated how he makes the perfect ice sphere. I must admit, I was enthralled. I was even somewhat disappointed when my name was called and I was escorted upstairs to dine.

The well-trained wait staff talked me through the menu and I found them to be delightfully warm and genuine. I ordered the Carthay Signature Fried Biscuits to start. They were stuffed with White Cheddar, Bacon, Jalapeno, and Apricot Honey Butter at its side. Definitely, not the biscuits mum makes. I followed it up with

the Carthay Shellfish Cioppino, a surprising combination of Royal Shrimp, Black Mussels, Manila Clams, Snow Crab Claws, Ramen Noodles, Lemongrass, Pineapple and scallions. I surrendered to the bold flavors and topped it off with Diamond Celebration Truffles. Four truffles, with flavors inspired by the Carthay Manhattan, Brown Derby, B52 Coffee, and Hazelnut Tiramisu. The perfect sphere in my Manhattan, the robust flavors of the Cioppino and the decadence of the sweet truffles melted away my sardonicism. I must say, dining in grand style would provide anyone with fresh perspective. I give Carthay Circle Restaurant my finest recommendation and suggest a visit right away. Priority seating is recommended. Call 714-781-DINE (3463).

Inglebert also recommends:

- Five Cheese Ravioli with Pesto at Boardwalk Pizza & Pasta
- BBQ Pork Ribs with house-made Coca-Cola® BBQ sauce served with mashed potatoes and signature coleslaw and Chocolate Mud Pie-O-Rama at Flo's VB Cafe
- Cookies and Cream Churro and Red's Apple Freeze at Cozy Cones
- Family recipe Mediterranean skewers at Paradise Garden Grill
- The Oswald sundae, three scoops of ice cream, covered in hot fudge, two chocolate dipped bananas, whipped cream, and a cherry in a souvenir kitchen sink container. Perfect for sharing from Clarabelle's Hand-Scooped Ice Cream

Letters to the Editor

Dear Editor,

As I reflect on all the places that I have visited around the globe, and the people that I have photographed during the most exciting things, I must say that I always find myself returning to my beloved Buena Vista Street. I find that the visitors here, have the warmest dispositions, and of all the destinations that I have visited, this will remain the Happiest Place on Earth.

Dearest,
Phyllis Francis

Dear Editor,

It truly is my lovely dog Lady's most favorite time of the year. We so enjoy meeting new visitors and old friends who come to visit Buena Vista Street. Please tell all the young citizens on Buena Vista Street not to be shy, as Lady especially loves to take photos with the lovely children who visit here. We resolve to spread even more love in this new year, if that is at all possible.

Loveingly,
Donna the Dog Lady

Dear Editor,

Please let all the nice people out there know, that I will do my very best to deliver all the special letters and packages that they have entrusted to me. I have delivered Valentines, packages, and even blooming Agapanthus. But I have a special package for Calvin the Cop who is always so kind to give me directions.

Sincerely,
Molly the Messenger

Luigi's Rollickin' Roadsters rolls into Radiator Springs

Citizens of Radiator Springs have been anxiously awaiting the return of the most famous little salesman in Cars Land. Rumor has it, that Luigi has returned from vacationing in Italy and is busy preparing to re-open the doors to Casa Della Tires, later this year. That's

right! Everyone's favorite little Fiat has returned, and he's not alone. He brought several of his stylish engine (cousins) from his hometown of Camello, Italy. Luigi's cousin siblings, Lomax, Tony, Corvalla and Isabella (he name a few), are busy rehearsing to demonstrate dances

from their village to celebrate Race Day in Radiator Springs. Citizens will join the festivities with the best wheeling cousins, so they twist, spin and turn in perfect unison at the all-new Luigi's Rollickin' Roadsters. It's a rollickin' celebration you don't want to miss!

Who Knew? Things to Swoon By

The Buzz with Gayle & Gail

It's that time of year again, and citizens are in the mood for love. And for you romantics who ask, what should I give my sweetheart this Valentine's Day? Look no further, Gayle and Gail have done the leg work to find you the top gifts to make your sweetheart swoon. So, pull up that chair and grab your favorite lute at the Fiddler, Filer and Practical Café and listen up lovely readers, as we are about to unravel the mystery of Valentine's Day gifts.

There are loving tributes all around you. First on our list is a trip to Trolley Treats for sweets for your sweetie. There is so much to choose from, like heart-shaped cookies and crispy treats, Black Forest Bark from February's Gourmet line, but the apple of our eye is the Pink Minnie Apple which tops our list of tantalizing temptations.

Next on the list is a trip to the jewelry room at Elias & Co. You'll find watches

for him and her, necklaces and rings, but the car's meow this season are Pandora charms. You can pick a charm that suits your love's personality. Is she more Tinkerbell or Darth Vader? Or select a charm to commemorate that special occasion, like Disneyland's

Diamond Celebration. A thoughtful token, will remind your love of those special moments in your life.

Looking for gifts for him? Check out the handsome styles of the new men's collection called Twenty Eight and Main at Elias & Co. These dapper styles were designed for the distinguished man in your life, and who doesn't swoon for a distinguished man? Certainly not Gayle and Gail! And nothing says Valentine's Day like patterned lounge pants or boxer shorts for him.

But, listen close as here's the real scoop dearies, it's not the gift itself that is the prize, it's the giver. If you're taken the time to select a gift that is unique to that person, you've proven yourself to be a thoughtful, generous soul, and that, boys and girls makes you worth swooning for. Until next time, we'll see you on the streets. And as always, your secrets are safe with us!

Speaking of glimmer, merchandise has never been so iridescent. In fact, there are over 500 different offerings to choose from,

too many to list here. So, here are a few of the things that shine the brightest.
